Details

Description

No dust contact and full suction power within seconds - our top of the range WD 5.600 MP features the Kärcher filter cleaning system. Nano-coated cartridge filter for extended suction power and greater dust retention - even fine particles.

Power tool autostart feature for direct dirt extraction. Supplied with tool hose for greater flexibility.

With high suction 1800 W motor, extra large 30 litre container and drain screw, this vacuum cleaner is ideal for large amounts of dirt and water.

Patented 3-in-1 carry handle for opening, closing and emptying the container. With variable on-board practical space-saving storage for hose, tubes and accessories.

An additional practical accessory is the coarse dirt kit.

Effortlessly picks up coarse dirt such as building rubble or debris.

Application

Satisfies highest demands and is perfect for frequent use: Ideal help for huge amounts of dirt in house and yard, outdoors and during workshop and renovating activities.

Whether large amounts of fine dust, stubborn coarse dirt or litres of water - all small and large jobs can be mastered with this Wet & Dry Vac.

Features & Benefits

Kärcher Efficient Filter Cleaning

Quick, simple and convenient: By touch of a button the cartridge filter can be cleaned within seconds and the full suction power is available again. Everything without work breaks and without contact to dust.

Special cartridge filter with nano-coating - available exclusively at Kärcher

Due to the nano-coating dust can't get into the deep fibers of the filter and high suction performance is guaranteed for a longer period of time.

High wet vacuuming capacity because of extra flat cartridge filter.

Special material enables wet and dry vacuuming without changing the filter.

Power outlet with automatic on/off control

When connecting power tools dust can be directly vacuumed as soon as it comes about.

30l container

Enables vacuuming huge amounts of water and dirt without work breaks.

Drain screw

Provides very convenient draining of huge amounts of water. Saves time and energy.

Coarse dirt kit

Ideal help for vacuuming big amounts of coarse dirt.

WD 5.600 MP

makes a difference

Blower Function

Helps wherever vacuuming is not possible. In this way e.g. leaves can be blown out of a gravel pit.

Parking position

Ideal for breaks: the parking position for quick and convenient stowage of suction tube and floor nozzle directly on the machine.

Practical hose and accessory storage

Space saving, handy and secure storage of suction hose, power cable and accessories included in scope of supply or bought later.

Patented 3-in-1 handle

To conveniently carry the machine as well as open, close and empty the container.

Switchable floor nozzle

Enables optimal suction of wet & dry dirt from hard floors and carpets.

Stainless steel suction tubes and stainless steel container

Robust and corrosion free.

Accessories

Accessory kits

Vacuum kit for power tools

Flexible suction hose (1 m) including adapter for connecting hose to the dust exhaust connection of power tools (e.g. jigsaws, grinders, drills, planes, etc.) For clean DIY.

Order no. 2.863-112.0

Coarse dirt kit

Extensive vacuuming kit with enlarged nominal diameter (60 mm) for all types of coarse dirt. Suitable for wood chippings, debris, gravel, crushed stones, small stones, leaves, soil or bark mulch.

Order no. 2.637-945.0

Household vacuuming set, 4-piece

Extensive accessory kit for all household cleaning tasks. Suitable for floors, corners, upholstery, etc.

Order no. 2.638-510.0
